The Woodlands – Emergency Operations Center

With the kick-off of Hurricane Season, June 1, The Woodlands Township, Montgomery County Sheriff's Office and The Woodlands Fire Department held a joint Action Plan meeting at The Woodlands Emergency Operations Center (EOC). The Woodlands EOC was recently constructed in collaboration with the Montgomery County Office of Emergency Management, Montgomery County Sheriff's Office and The Woodlands Fire Department. It is located within the South Montgomery County Public Safety Building (District 6), located at 9200 Grogan's Mill Road.

The Woodlands EOC addresses the need to respond to various crises that occur within our community. The weather-related events of the past that have affected Montgomery County and The Woodlands have magnified the need for The Woodlands EOC to address localized needs.

Response to an event is the function of Law Enforcement, The Woodlands Fire Department, Emergency Medical Services, First Responders and various divisions of The Woodlands Township. When a large-scale event has occurred, it is important that the response be coordinated. This generally means activating the The Woodlands EOC to assure central coordination. Official public advisories, shelter/evacuation, search and rescue, and resource mobilization are all part of the response mode.

The Woodlands EOC offers a central facility for key personnel to gather information, make decisions, relay needs or resources to the Montgomery County EOC and coordinate the flow of information and/or strategy required to deal effectively with an emergency situation. A number of local agencies (Montgomery and Harris Counties) and organizations participate during The Woodlands EOC activation, depending upon the severity and nature of the emergency.
